EDUCATION

Ambedkar Institute of technology, Bengaluru — **Bangalore, India**
Bachelor of Engineering in Electronics and communication **(GPA : 8.72)** — **2019 -2023**

12th Standard, Karnataka State Board — **Bangalore, India**
Venkatadri Independent PU College, Chinthamani (percentage marks: 92.6) — **2017 - 2019**

SKILLS

- **Technical Skills: Java, JavaScript, ReactJS, HTML, CSS, NodeJS, ExpressJS, Git**
- **Soft Skills:** Communication skills, Effective planning, Quick learner, Creativity, Problem-solving skills, Hard Worker, Leadership Quality.

CERTIFICATIONS

- **Java Foundation –** Completed and obtained certification on udemy.
- **Front end development foundation -** Completed and obtained certification on Front End Development Foundation from Cognizant

PROJECTS

Vehicle-to-Vehicle Communication using LoRaWAN

- Implemented a wireless communication system between vehicles using LoRaWAN technology.
- Enabled low-power, long-range communication for real-time data exchange to enhance road safety.
- Designed and tested the system for efficient data transfer in constrained network conditions.

Movie Mania Web Application

- Developed a full-stack movie application using React.js, Node.js, Express.js, and MongoDB.
- Integrated external APIs to fetch and display movie data dynamically.
- Implemented user authentication and login system using Express.js and MongoDB.
- Built responsive UI for seamless user experience across devices.

EXPERIENCE

Cognizant Technology Solutions

- Completed a six-month internship where I gained hands-on experience in developing single-page applications using React.js, working with state management, routing, and deployment processes.
- Currently working as a full-time employee specializing in React.js development. My role involves designing and developing scalable web applications, creating reusable UI components, integrating APIs, and ensuring responsive and user-friendly interfaces. I collaborate with cross-functional teams to deliver client-focused solutions while maintaining performance and code quality.

EXTRACURRICULAR ACTIVITIES

- **Community Service:**
  - Led a rally to raise awareness regarding plastic prevention and distributed handmade paper bags to the shops in locality.
  - Conducted educational session for school students, focusing on effective communication, appropriate behavior, and ethical conduct.

LANGUAGES KNOWN

- English, Telugu, Kannada and Hindi.
